#### **Protecting Your Personal Healthcare Information**

We used and disclose information we collect from you only as allowed by the Health Insurance Portability and Accountability Act and state of Washington. Our offices and electronic systems are secure from unauthorized access and our employees are trained to make certain that the confidentiality of your records is always protected. Our privacy policy and practices apply to all former, current, and future patients, so you can be confident that your protected health information will never be improperly disclosed or released.

#### **Collecting Protected Health Information**

We will only request personal information needed to provide our standard of quality dental care, implement payment activities, conduct normal dental practice operations, and comply with the law. This may include your name, address, telephone number(s), Social Security Number, employment data, medical history, health records, etc. While most of the information will be collected from you, we may obtain information from third parties if it is deemed necessary. Regardless of the source, your personal information will always be protected to the full extent of the law.
